Competitive rates, quality advice & efficient international payments

You won't pay more than you have to

OMF can offer some of the most competitive rates for foreign exchange and international transfers. Broking and currency transfers are our core business and with access to interbank rates and liquidity, combined with low overheads, we can pass these cost savings directly onto our clients.

Around the clock support and advice

Our team of experienced dealers are there to provide support and advice 24 hours a day when the FX markets are open, from 7.30am Monday until the close of the New York markets on Saturday morning.

Your dedicated dealer is there to provide advice and create tailored trading strategies to accommodate your individual requirements. In addition to phone based support, we can provide you with a range of market reports, daily commentary and latest announcements so that you can stay full informed of currency movements.

A payment solution that puts you in control

Manage your FX online, or let us do it for you.

We provide multi-currency accounts that can be used for the purpose of delivery, including:

- Receiving foreign currency payments from overseas
- Making foreign currency payments offshore
- Holding foreign currencies locally

Set up multiple settlement instructions so that third party payments can be made quickly and efficiently. There are no TT fees on transfers over \$10,000.

FX hedging and treasury management

There are wide range of tools available in the FX market. OMF will work with you to ensure you are using the right tools to manage risk and plan cash flow cycles.

Your money is safe with us

As a registered financial services provider in NZ, OMF is regulated by the FMA who supervise our compliance with NZ laws, regulation and best practice standards.

Our client funds are held safely on your behalf in a segregated client funds account that is separate from OMF's own capital. We never use your funds to meet other client's obligations or to hedge business risks.

Putting the management of your FX into your own hands

OMFx24 is a simple and efficient payment solution that allows you to access a range of hedging and payment tools online.

- View live indicative FX rates
- Request dealable quotes online
- Transact at spot or purchase forward contracts
- Limit order functionality
- Real-time account management
